ABSTRACT

This bibliography contains comprehensive analytical annotations of 1,100 volumes about the Civil War. The books were chosen by a board of advisors as the most significant works on the great conflict. The bibliography is divided into the following sections: "Battles and Campaigns"; "Confederate Biographies, Memoirs, and Letters"; "Union Biographies, Memoirs, and Letters"; "General Works"; and "Unit Histories." Two appendixes are included: (1) "Prolific Civil War Publishers"; and (2) "A Short List of Civil War Bibliographies." (Contains an index of authors and editors and an index of titles.) (BT)
